Members of the Town Board or any other Town committee, who are not members of the body whose meeting agenda is published in this notice, are entitled as any other citizen of the Town of Saratoga, to attend this meeting in an unofficial capacity. It is possible the attendance of one or more non-members may create a quorum of the membership of another body. Such a quorum is unintended and the non-members are not meeting for the purpose of exercising the powers or duties attendant upon their membership on any Town committee or board. A reminder that the Town Board Members have adopted "9 Tools of Civility" which commits the Board Members and Public to be mindful of how we treat each other at meetings.
